Unit ١: How much time have we got?

Exercise ١) Read the text, and then answer the questions below.

August 20th 14 Hilltop View Road
Oxford

Dear Dan,
How are you?
We had a really unusual start to our summer holiday this year. My family and I were on the train to Cornwall. It was a long journey, but it was comfortable and we all fell asleep. Suddenly, we heard the train's whistle and we all woke up. "Oh no, it's eight o'clock!" Mum said. "We missed our station!"
We had to get off at the next station. Dad asked the ticket seller the time of the next train back to our station. But he said, "There aren't any more trains today. The next train leaves tomorrow morning. But I can book you into a hotel. Follow me."
