The Nazca lines :

After reading the text answer the following questions :

1.Who are the Nazca people ?

They are people who lived in Peru, in South America.

2.How long did it take to draw the lines ?

They probably took hundreds of years.

3.How many people make lines ?

Hundreds or even thousands of people.

4.How can we see the Nazca lines nowadays ?

By travelling by small planes.

5.Nazca lines were able to survive . Justify this .

Because the climate is dry and there are no rains.

6.Quote a sentence which indicates that making Nazca lines took a long time.

We can't be sure, but it probably took hundreds of years to make so many drawings.

7.Critical thinking :

Why would you like to visit Nazca lines ?

Because the lines are mysterious.

8. Complete the following sentences :

a. Condor is a type of birds .

b.The word incredible means : Strange.

c.The noun which means the normal weather that a place has is : Climate.
